SWANK EXTREME FICTION
by Rocco Drozzi

Paradise Island

When my asshole fiancee stood me up at the altar I was very crushed. My friends suggested that I still go on the honeymoon by myself to help get my mind off things. After some hesitation, I decided to go for it. After all it was already paid for, and the idea of two weeks on the beaches of sunny Jamaica sounded like a great way to nurse my broken heart.

When I arrived I checked into the hotel, and headed right for the beach. Man, the fucking girls on this beach were smokin' hot. Nobody wears a top on that island, so it was bare tits as far as the eye could see. However, it wasn't until I made my way to the seashore that I got the first glimpse of the sweetest pair of jugs I'd ever seen, and the girl that was going to change my life forever.

Nia was just getting out of the ocean as I was making my way in. This petite and tanned island native ran her hands through her long and wet black hair as sea water dripped and glistened down her golden brown naked melons. Our eyes met as we passed each other, then I looked back to catch a view of the firm and curvy ass cheeks that held the back string of her thong in place. I don't remember the last time I got so worked up from seeing a naked chick, but I was so turned that I spanked out a load right in the ocean while thinking about the taste of her sweet juicy pussy and how my dick would feel pounding its way up her ass.

That evening I was walking the hallway back to my room when I noticed that my dream girl was trying to get into a room that was only a couple of doors down from mine. Her key card wasn't working and she was getting upset. So I made my way over and helped her get the door unlocked. Nia thanked me and invited me in for a drink. We sat on her sofa talking and I found myself in a constant struggle to keep my eyes from staring at the outline of the large nipples that poked through her tank top. On one occasion where I gave in to the temptation, Nia caught me checking out her rack. Embarrassed, I began to apologize, but Nia stopped me and explained that she liked the attention.

Suddenly Nia lifted her shirt over her head, exposing her tanned globes to me. She took my hands and held them to her tits and as I massaged them in my palms. I ran my thumbs against her nipples as Nia leaned forward, put her lips to mine and pushed her soft tongue into my mouth. I kissed her back deeply as we worked each other's pants open. Our lips stayed locked as we stood up and undressed each other.

Nia pressed her tits against my bare chest and she kissed my neck and began working her lips down my torso until her mouth came to the hard straining pole between my legs. Nia lifted my cock and set her tongue on my balls. As if my meat was an ice cream cone, Nia put her tongue flat against my shaft and drew long licks up to the head of my manhood. Each time Nia brought her lips along my shaft, the grip of her mouth on my cock grew tighter until finally a batch of sticky jizm burst into her throat. As she continued to suck my dick, stray lines of cum dripped out onto her lips and fell onto her tits.

Nia laid on her back as I climbed on top of her into the 69 position. My lover teased my cock and balls with the gentle brush of her fingertips as I lowered my head between her open legs. I dragged my tongue across her shaven lips and popped it into her slit. Nia's body grew tight as the tip of my tongue took its place on the sticky wet nub of her clit. I sucked her pink between my lips and caressed the flesh with quick and thorough licks. My tongue worked her clit while I rammed two fingers into her pussy hole deep and hard until Nia began writhing from the burning sensation brought on by a massive orgasm.

I rolled off of Nia, spread her legs apart then kneeled between them. With my dick hard again, I took the rod into my hand and guided it toward Nia's soaked cunt. Her moans echoed off the walls of her room as the throbbing head of my cock made contact with the inside of her pussy walls. My hand cupped her tits and pushed them together as my tongue traded licks at each of her nipples while I inched my cock deep up in her tangy peach.

Climbing to my knees, I lifted Nia up into my arms. We locked lips and tongues in a heavy kiss as I set my two hands on Nia's ass and drove her sopping box hard and quick along my rocket. Nia wrapped her legs tight around my waist and dug her fingernails into my back as her second climax took control of her body.

I lowered Nia's spent body back on the floor and withdrew my cock from her pussy.

Placing a knee beside each of her shoulders, I pushed my hard on between Nia's open lips. I started fucking Nia's mouth slowly, then picked up speed as my balls slapped off her chin and my shaft glided against her tongue.

With my nut ready to bust, I yanked my meat from Nia's mouth and jerked my wet dick until another batch of spunk erupted across her lips, nose and eyes.

It was an incredible two weeks of banging Nia morning, noon and night.

My plan is to go back to Jamaica next year and pick up the "honeymoon" where it left off. □

'IT WAS AN INCREDIBLE TWO WEEKS OF BANGING NIA MORNING, NOON AND NIGHT.'

Bobby had been begging me to give up my cherry to him. At first, I was all against it, but once he started eating my slit, I couldn't help but break every rule I thought I would stick to! We'd never done anything except get to second base, and I grabbed his crotch a few times, but when I let him go down on me, it was like something clicked inside of me! Rule number one was sunk after I swallowed his cock, rule number two was erased after he crammed it in my pussy, and number three was way gone after I sucked his cum straight into my throat! I guess every rule, especially the sexual ones, is made to be broken!
